Dear Rob,

I would like to let you know what a pleasure it was to turn the auction of my listing located at 4746 Driftwood Lane, Louisville, TN, over to your company. This had been a difficult listing to sell even with exposure on multiple web sites as well as print ads. I had very few showings and very few phone calls.

Once my client and I made the decision to explore the auction process I called several local auction companies to compare service, the process, and professional approach to the public. The Furrow Auction Company stood far above all others I interviewed.

During the entire process I was kept informed and felt as though I was part of a well oiled machine. Furrow Auction answered all of my questions throughout the process. Your company handled everything from advertising, to set up for the auction itself. Auction day went off without a hitch. I feel my client was completely happy with the auction as I was.

Not only did the property close on time and as expected. Furrow Auction took the extra step of delivering my portion of the commission and closing paperwork in person to my office. Your organization is a class act and one I would not hesitate to recommend to other realtors or use your services again myself.

Thank you,

Nancy Westerling
