GC – General Commercial District:

The purposes of the General Commercial (GC) District, hereinafter referred to as the — GC District, are to:

- (a)** Promote economic development through a diverse mixture of business uses;
- (b)** Minimize conflicts between uses through landscape and buffering requirements;
- (c)** Promote high-quality commercial development; and
- (d)** Emphasize access control due to the high traffic generation created by general commercial uses, especially around the Interstate-65 corridor.
